Dear Families and Friends,

On Saturday I got to experience my very first Cricket Day. It was a fun day for all who were involved and a lovely way to meet other locals from the area. All cricket players showed great sportsmanship and the kids enjoyed water fights and playing on the jumping castle.

Thank you to all of the amazing P&C members, families and staff for all of your hard work and organisation.

Enjoy your holidays and we will see you all back here on Tuesday October the 4th.
Hot Dog Day

On Friday we will be having hot dogs for lunch, some snacks while watching a movie and playing some games to celebrate the end of the term. Thank you to the P&C for donating the hot dogs for us.

Project Fun!!

This week we worked on improving our researching skills by completing a research project based on a country that was selected by each student. The students loved learning and practicing skills like, google searching (finding authentic sites for their information), copying pictures from the internet, emailing, and using an Atlas to find information. Everyone enjoyed learning new information about countries around the world.
Camp
If you haven’t paid for camp yet, it is due on the 21st of October. Please make sure all of the camp forms are returned, if they have not been yet. Any parents who have blue card forms, please return them ASAP, as it takes up to a month to receive the documentation once sent away.

Swimming Next Term
Next term we will be going to swimming lessons on a Wednesday. This is a part of the PE curriculum and the cost of transport will be covered by the school, but students will be required to pay for the pool entry (unless they hold a season pass). If you have any questions please contact the office.

Celebrate Disability Action Week — 11 to 17 September
With 1 in 5 Queenslanders having a disability, it touches the lives of most people in some way. The department is committed to ensuring all staff with a disability are included and supported to contribute in a meaningful way. Staff and students with disabilities can accomplish so much more every day when given the choice and support to do so.
This year’s Disability Action Week theme ‘Inclusion: it’s a game changer’ aims to empower people with a disability and improve access and inclusion on a daily basis in the school and wider community.

The Wall of Awesomeness!!
This is where we will add a picture of awesome work from the students at Coalstoun Lakes.

Landscape Paintings- Claire and Melita

Student Absence
Thank you to all of the families who have been notifying the school of any absences. It is greatly appreciated and allows us to ensure all of the students are safe and accounted for on a daily basis.

Project Club
Well done to the Project Club for all of their hard work at Cricket Day. The girl sold all of their stock and worked well as a team to be organised for the day. Thank you to the Palmer family for your donation of plants for the Project Club to sell. They were definitely a hit.

Playgroup News
The next playgroup will be held on Thursday the 6th of October. We look forward to seeing you all there for a play and a chat.
P&C News

As a way of supporting the school, families are requested to mow the transpiration area on a rotational basis according to your family’s surname. There is a push mower, which was purchased by the P&C, available for families to use. The transpiration area now needs mowing by the Staib family. This request is generally only made once or twice to each family per year and each family’s assistance is greatly appreciated.
