Prep Enrolment and Transition Day
On the 21st of November CLSS will be holding a Transition day for those who are interested in joining us at Coalstoun Lakes next year for Prep. This is an opportunity for your children to have a look around the school, get to know the staff and students and experience what BIG school will be like. It is also a great time for parents to ask questions they may need answered. The session will start at 9am and conclude at 11am. If you would like to pack a morning tea the students can join the other students for morning tea and playtime at 11-11:30. Due to Government legislation, all parents must stay with their child during this session.

Concert Preparation
We are heading closer to the exciting end of year concert and the students and staff at CLSS are working very hard to creating another great concert at CLSS. We have organized most of the costumes and would like some help with a few items for the night. Could you please provide the following for your child ready for concert night?

PREPS- Brown shirt
ALL STUDENTS- Flannel shirts and boots, black shirt and shorts/leggings
QUADE- Black Dress pants and button up white shirt

If all students could have a set of black clothes to wear as their base costume (to avoid changing completely in the library area on the night).
The Wall of Awesomeness!!
This is where we will add a picture of awesome work from the students at Coalstoun Lakes.

Art for Concert Night- By Mathaniel, Melita, Amy

Student Absence
Thank you to all of the families who have been notifying the school of any absences. It is greatly appreciated and allows us to ensure all of the students are safe and accounted for on a daily basis.

2016
**Playgroup News**

The next Playgroup will be held on the 3\(^{rd}\) of November. Due to the weather heating up we will set up some water play for the little ones. Look forward to seeing you here at 9am.

**P&C News**

Our next general meeting will be held on Tuesday 8\(^{th}\) of November @ 7pm. All welcome to attend. If anyone is interested in taking on the Treasurer role next year, please contact the school.

As a way of supporting the school, families are requested to mow the transpiration area on a rotational basis according to your family’s surname. There is a push mower, which was purchased by the P&C, available for families to use. With the recent rain and the warm days, the grass has now started growing at a rapid rate and the transpiration area now needs mowing by the Staib Family. This request is generally only made once or twice to each family per year and each family’s assistance is greatly appreciated.

Good Afternoon,

We are excited to announce that North Burnett Regional Council are again proudly making Garage Sale Trail available to community groups, schools and residents of the North Burnett.

Garage Sale Trail is Australia’s big day of GOOD STUFF with over 10,000 garage sales happening around the country on Saturday 22nd October 2016 and over the last few years Garage Sale Trail has seen more and more participants take part on the day as a fund raising and community-building exercise.

Now in its sixth year, Garage Sale Trail, is a free, council-powered day of garage sales that attracts over 300 000 bargain-loving shoppers nationally. With over 2 million pre-loved treasures expected to be up for sale for many its Australia’s national day of haggling.

The day exists to do more than help people sell their unwanted stuff and hone the skills of bargain hunters. The simple act of buying and selling at a garage sale does a whole lot of ‘good stuff’ beyond making extra cash and finding treasure. It’s a simple way to bring communities together, reuse and rethink the idea of what waste really is… while having an excuse to get dressed up, bake and barbeque.

Get on to a good thing, put Saturday 22nd October 2016 in your calendar and register now, it’s completely FREE.

For more information about how your can get involved in Garage Sale Trail please visit https://www.garagesaletrail.com.au/about

For further information please don’t hesitate to contact Council’s Garage Sale Trail Team – Rachael Duncan, Suzie Keune and Tracey Wilson – on 1300 696 272.

Happy Trails
